WE'RE HERE FOR YOU

What is Mental Health?

Mental Health encompasses emotional, psychological, and social well-being, influencing cognition, perception, and behavior. It likewise determines how an individual handles stress, interpersonal relationships, and decision-making.

Behavioral Health includes emotions and behaviors that affect your overall well-being

What is Behavioral Health?

Behavioral Health Scheduling:

- CHCL will prioritize established patients
- We do accept outside referrals from PCP's and Parents
- You will be placed on a waitlist and will be scheduled based upon counselor availability

NOTE: Telepsychiatry is currently limited to internal referrals only

Currently, CHCL does not accept **Behavior Health** patients ages 5 and below.
